INSPECTIONS AND REGULATORY COMPLIANCE

CGI OnCue360 allows inspectors to quickly collect information in the field online or offline. Collect failures and observations, take pictures and add comments.

OWNER AND TENANT PORTALS

Owners and tenants have their own access to review inspection results, update their notification information, and submit self-certification results.

SELF-CERTIFICATION TO REDUCE RE-INSPECTIONS

CGI OnCue360 allows owners and tenants to show proof of repairs to reduce costly re-inspections.

SAVE ON MILEAGE REIMBURSEMENTS

CGI OnCue360 has a powerful scheduling and route management module that reduces mileage reimbursement costs and shorten time on the road to fit in more inspections.

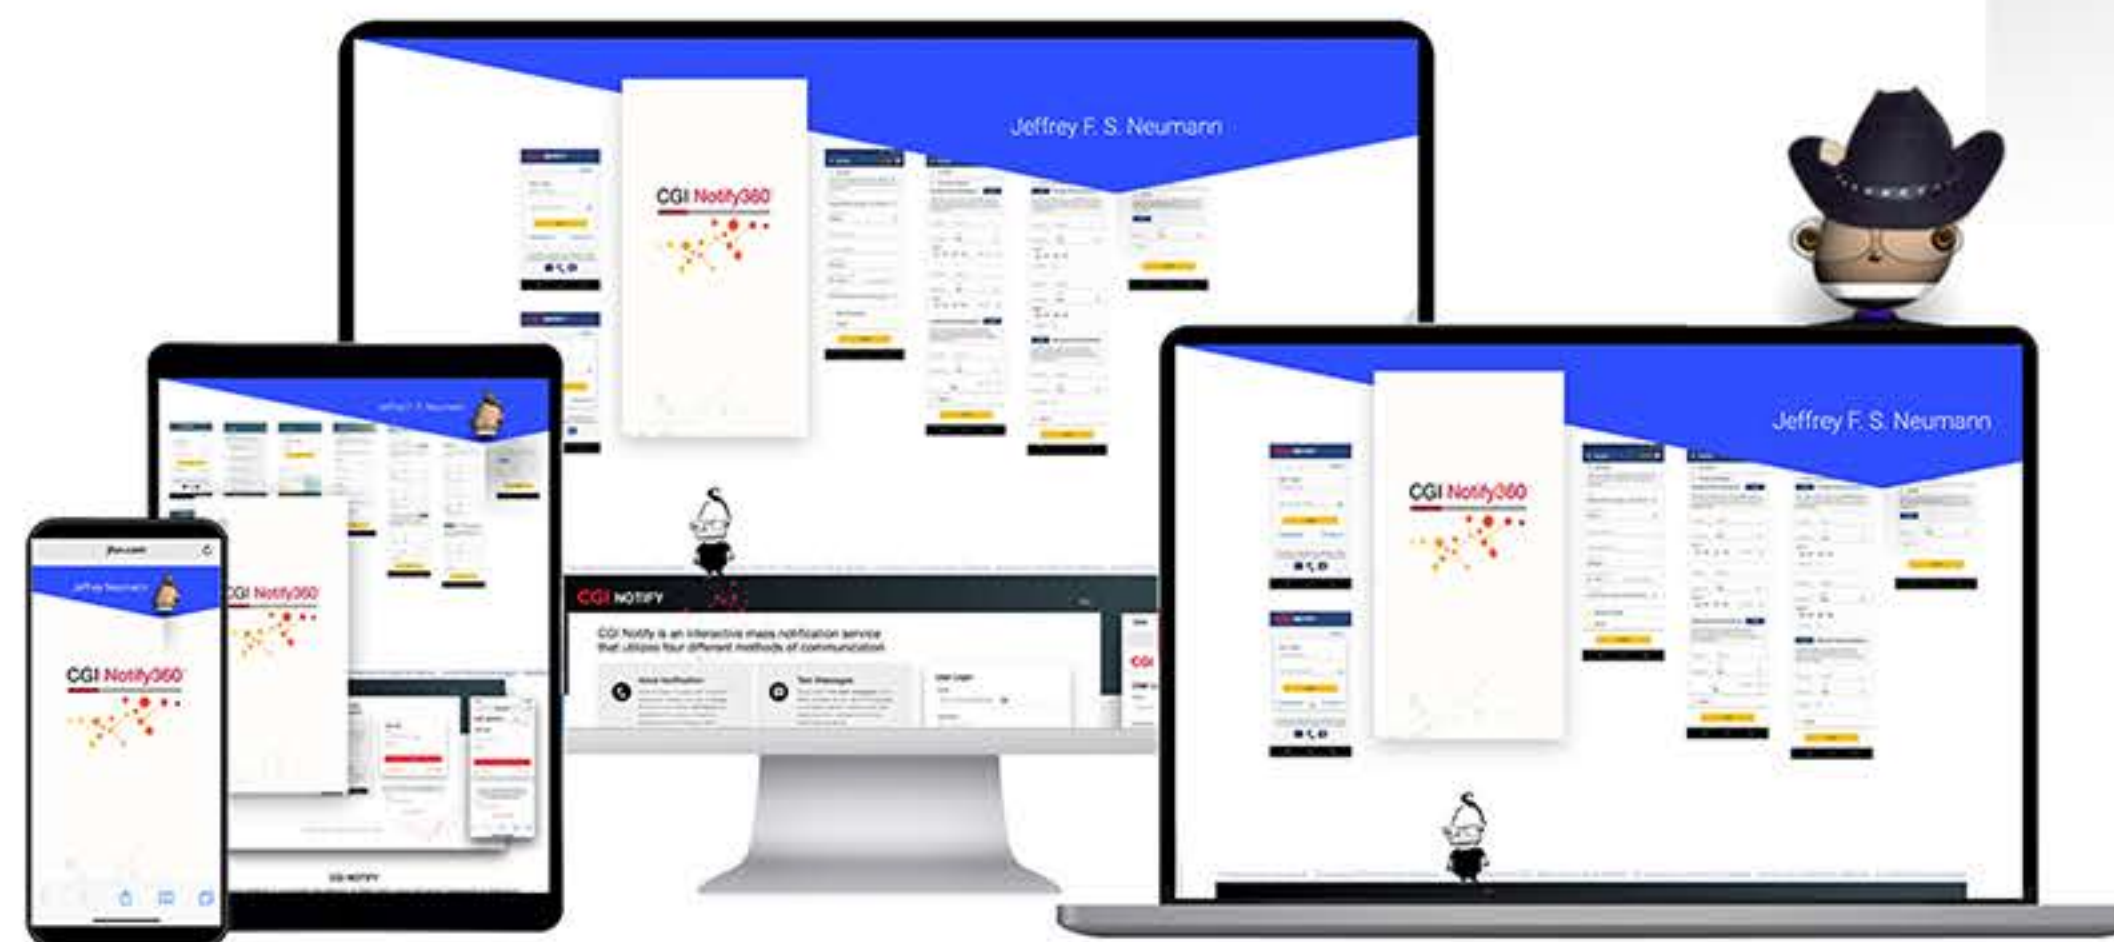

EMERGENCY MASS NOTIFICATIONS

CGI Notify provides an easy way to communicate to owners, tenants, and employees when unexpected issues occur.

QUALITY ASSURANCE AUDITS

CGI QA Log is a simple yet powerful questionnaire and checklist solution that provides a single source system to perform quality control reviews.
