2 APPLE — iPhone, iPad & MAC

DONE ✓

Done — June 2026. Allison is set as Legacy Contact on the Apple ID. She holds the access key in her iPhone.

Apple's Digital Legacy gives Allison full access after Jeff passes — iCloud photos, notes, messages, files, and all connected devices.

- When the time comes: go to apple.com/support/digital-legacy
- Use the access key Jeff sent you to request access
- Apple verifies and issues a temporary ID — unlocks everything
